The Assembly Normal Union proposes to furnish to Sunday-school teachers, to those who may become teachers, and to Bible students, direction in study which shall aid in preparation for Sunday-school work. It presents to the student a course of study, occupying two years, in the two lines of Bible knowledge and Sunday-school work; outline lessons and text-books, which may be used either in classes or individual study; questions and suggestions, to guide the student; examinations, to be conducted either by correspondence or at various Sunday-school Assemblies; certificates for partial courses, and the diploma of the Union on the completion of the full course. The studies for the first year include twelve lessons on the Bible and twelve on the Sunday-school, issued in a volume similar to this. The studies for the second year include the lessons in this volume, and the reading of the following books: The Progress of Doctrine in the New Testament, by T. D. Bernard, M.A.; The Primer of Christian Evidence, by R. A. Redford, M.A.; The Seven Laws of Teaching, by J. M. Gregory, LL.D.
