MONTGOMERY BUS BOYCOTT: WOMEN WHO STARTED IT (PAPERBACK)

University of Tennessee Press, United States, 1987. Paperback. Book Condition: New. 216 x 148 mm. Language: English . Brand New Book. The Montgomery Bus Boycott, which ignited the civil rights movement of the 1950s and 1960s, has always been vitally important in southern and black history. With the publication of this book, the boycott becomes a milestone in the history of American women as well. This autobiographical account of the creation of the boycott is the most important document on that highly significant episode since Martin Luther King s own version, *Stride Towards Freedom*. I feel certain that scholars and students will refer to this unique historical source for generations to come. --J. Mills Thornton, University of Michigan This valuable first-hand account of the historic Montgomery Bus Boycott, written by an important, behind-the-scenes organizer, evokes the emotional intensity of the civil rights struggle. It ought to be required reading for all Americans who value their freedom and the contribution of black women to our history. --Coretta Scott King A sharply remembered addition to the literature on what has become an event of mythic proportions, and a sound primer for those interested in community organizing. The author is scrupulously honest, modest, and gives unsung heroes much deserved praise. --Kirkus This fascinating memoir provides new evidence on the origins and sustaining force of the Montgomery Bus Boycott (1955-56). --Anthony O. Edmonds, *Library Journal* There s no substitute for this intimate memoir; it provides an immediacy and graphic intensity never before available. --Marge Frantz, *San Jose Mercury News* This powerful memoir is a milestone in the history of that boycott and in the American Civil Rights Movement. --*American History Illustrated* This absorbing study may become a minor classic in the literature of the Montgomery bus boycott. . . . Garrow correctly states in...
