Not illustrated. 1899 Excerpt: .cogent way he has shown how French literature has grown from the simple, inconsequent works of the early centuries to the great literature of the present, giving special attention to the causes of transition from one period to another. A very complete bibliography of the subjects treated, including authors and their works, forms the foot-notes throughout the text. The illustrations, numbering more than a dozen, are portraits of French writers. Few men have had such opportunities for studying English life of the present century as George W. E. Russell. Enjoying a wide acquaintance with notable people and with elderly men and women who knew the celebrities of the preceding generation, he has been able to go back in his own Manual of the History of French Literature. By Ferdinand Brunetiere. Authorized translation by Ralph Derechef. 596 pp. \$2.00. New York Thomas Y. Crowell Company. and his...
