## NARCISSISTIC REFLECTIONS (PAPERBACK)

Trafford Publishing, Canada, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I had just completed the one-year Education course at University of Alberta and was back in my home town enjoying a much-needed break. Strolling along the main drag, I ran into one of my former teachers. He inquired politely about my career plans: my reply staggered him! Teaching? Right here in Clarseholm! And I could see, running through his brain, visions of a former student - namely me - clomping down the school corridors in his lumber jack boots with a cigarette pack peering out of his flannel shirt pocket. Bad enough as a student, but as a colleague! Intolerable! Uttering feeble congratulations, he lurched off down the street, muttering and likely heading to the nearest pub. Such was the rather ignominious start to my twenty-five-year teaching career and I wouldn't trade one of them for another calling (although there was the odd day I could have done without). One of the crowning moments, however, came as I was winding up my five-year teaching stint in Uganda, East Africa, . A student addressing the farewell assembly, said, Mr. Peters, although you are white, you have a black heart. High praise indeed!.
