

Iphigenia in Tauris: A Drama in Verse

Filesize: 1.7 MB

Reviews

I actually started out looking at this book. It really is rally interesting throgh studying time period. I am just happy to inform you that here is the greatest ebook i have read through within my personal daily life and could be he best book for possibly.

(Miss Myrtice Heller)

IPHIGENIA IN TAURIS: A DRAMA IN VERSE

Angel Books. Paperback. Book Condition: new. BRAND NEW, Iphigenia in Tauris: A Drama in Verse, Johann Wolfgang von Goethe, Roy Pascal, This drama in blank verse, first published in 1787, the first important work of Goethe's Classical period, stands the Iphigenia-Orestes story as treated by Aeschylus, Euripides and Racine on its head. In Goethe's drama Iphigenia, daughter of Agamemnon, leader of the Greek forces in the Trojan War, in exile as a priestess in the barbaric land of the Tauri (Crimea), breaks the Tantalid family curse. By her own unaided human efforts she saves the life of her brother Orestes who has murdered their mother because she murdered their father; at the same time she enables him to expiate his crime. The female identity of the central character is all-important. It is uniquely her voice, against all the other voices which are male, that brings resolution - not by preaching values but by the visceral force of belief in the rightness of the language of the heart. This translation by Roy Pascal, made in 1954 and broadcast in two separate BBC radio productions, is published for the first time. Martin Swales writes in his Introduction: 'Goethe's Iphigenia is one of the most perfect poetic dramas that the moral culture of Western Europe has produced - Few works can have such purchase on our contemporary concerns. The endless bloodletting of the play's prehistory, the desperate cycle of outrage followed by acts of retribution that fuel the flames; the play's understanding of the notion of sacrifice that conjoins the sacred and the violent into a poisonous brew - all these preoccupations speak with incomparable urgency to us today .Roy Pascal's translation is a matchless example of German poetry rendered into English by a master.'
