In the Top Ten on YouTube, Facebook and Twitter, with millions of followers, Justin Bieber is adored by a huge online community - in fact, this hearthrob and teen music sensation is reportedly more influential in the social networking sphere than Barack Obama or the Dalai Lama. There's certainly no denying that the Biebs has rocketed onto the scene and into our hearts because he is one talented guy: he has been singing since he was a little kid and taught himself to play the piano, drums, guitar and trumpet, before his home videos were discovered by his manager-t0-be on YouTube.
