

## Handselecta Blackbook Journal - Gorey (Hardback)

Filesize: 7.53 MB

### ***Reviews***

*This ebook is so gripping and exciting. it was writtern very flawlessly and valuable. I found out this publication from my i and dad suggested this ebook to understand.*  
*(Leif Bernhard MD)*

## HANDSELECTA BLACKBOOK JOURNAL - GOREY (HARDBACK)

Gingko Press, Inc, United States, 2014. Hardback. Book Condition: New. 272 x 208 mm. Language: English Brand New Book. Christian Ackers Flip the Script, a book which analyzes graffiti handstyles in a formal typographic construct, was dubbed an instant classic by writers and designers alike upon its release in 2013. Following in this tradition, Handselectas Blackbook is a tribute to the work that goes into developing a strong, consistent handstyle. Acker designed the book with 32 gridded pages, 32 lined pages and 64 blank pages so you have both structured and free-form options for developing your letterforms. Practice makes perfect! Seb Gorey was born in 1976 in Paris, France. He is currently based in New York City and works as an artist and designer. His work portrays the ingenuity and versatility of recycling, the end of industrial production and the revenge of nature. Gorey combines disparate elements to form unity in his work. His traditional yet figurative work is influenced by street culture and depicts a post-apocalyptic environment. Seb Gorey is the designer behind the menswear label Woolf NYC. He also works as an illustrator and graphic designer for the brand.
