Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 175 x 124 mm. Language: English . Brand New Book. Her brother was in a coma. There were many needed surgeries that were not accomplished because of his fragile state. The threat of staff infection, and such were surfacing. Then, I received a phone call that my friend s parents were given the news to call in the family to say their last goodbye s. My friend and I stood believing what we had prayed would come to pass and that her brother would in fact live, and not die, and that he would recover and be made whole! He was too young, and his life was just beginning. After anointing him in as many areas as we could, I began to pray God s Word. The same Spirit of He who raised Christ from the dead will also give life to this young man s mortal body. Then I said Amen - (which means, So Be It.) A day or so later, the report was that he was awake and going into surgery. No infection present, and before I knew it - I received the phone call that he was being discharged from the hospital!.
