Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from **Black Hills: A Minute Description of the Routes, Scenery, Soil, Climate, Timber, Gold, Geology, Zoology, Etc;, With an Accurate Map, Four Sectional Drawings, and Ten Plates From Photographs, Taken on the Spot** Since my return from the exploration of the Black Hills last October, I have been so repeatedly and earnestly importuned by persons desirous of information in regard to that country, that I have felt, as it were, forced to give an account of what was discovered therein. This little volume is given to the public in deference to the general anxiety for a reliable and authentic statement. It has been thrown together in the intervals of public and private duties of much graver importance; but, while asserting no claim to literary merit, it may be relied on as in strict and impartial accordance with facts.
