Reviews

*A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

THE NETHER (MAIN)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, The Nether (Main), Jennifer Haley, I've read the studies. No one has been able to draw a conclusive correlation between virtual behaviour and behaviour in-world. The Nether is a virtual wonderland that provides total sensory immersion. Just log in, choose an identity and indulge your every desire. But when a young detective uncovers a disturbing brand of entertainment, she triggers an interrogation into the darkest corners of the imagination. Winner of the 2012 Susan Smith Blackburn Prize, The Nether is both a serpentine crime drama and haunting sci-fi thriller that explores the consequences of living out our private dreams. Jennifer Haley's The Nether received its UK premiere in July 2014 at the Royal Court Theatre, London, in a co-production with Headlong.
