Brand New Book ***** Print on Demand *****.Excerpt from Representative San Antonians: City Builders Brief Resume that San Antonio is becoming one of the greatest jobbing centers in the southwest there can be little doubt, and new railroads projected through this territory will develop conditioris, and bring many, 1 new opportunities for business and investments. There can be no doubt but that the city has developed, and is still developing rapidly. San Antonio is the shopping center of the southwest and a number of its retail houses are the largest south of St. Louis. Many tourists pass through the city annually, and to accommodate them the most modern hotels are found here. Real estate values have rapidly increased. The city has seven National banks, four State banks, four private banks and five Trust companies, the aggregate deposits of which average about\$20, 000, 000.00. San Antonio, in my opinion, has the best equipped street railway system in the United States, population considered. The San Antonio Traction Company, of which W.B. Tuttle is Vice President, operates about seventy-five miles of trackage, employing several hundred men. About seventy cars are operated regularly, with thirty more held in reserve. An average of about 20, 000, 000 passengers are carried annually. The cars used are what are known as the double truck, semi-convertable. They are equipped with air brakes and vestibules and are of the pay as you enter variety. The company, for the most part, uses an eighty-five pound rail in the city. There is one thing in the street railway service of San Antonio that has appealed to me very strongly the employes of the corporation are unusually polite and attentive to passengers, and seem to make...
