But, despite all their efforts, fate seems to be skewed against them. Then, as Kate suffers another miscarriage, she knows something has to change. She has heard of women who are prepared to carry a baby for others, and she knows this might be a way to finally find happiness. But will her desire for a baby stop at nothing? And between the two, feisty social worker Simran Singh is determined to uncover the truth behind the shadowy facade of the multi-million dollar surrogacy industry.
