

Cake: A Global History (Hardback)

Filesize: 1.07 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

(Abe Reichel DDS)

Reaktion Books, United Kingdom, 2010. Hardback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Let them eat cake! What birthday, wedding, bar mitzvah or children s party would be complete without it? It is the ultimate food of celebration in many cultures throughout the world, but how did it come to be so? *Cake: A Global History* explores the origin of modern cake and its development from sweet bread to architectural flight of fancy, together with the meanings, legends and rituals attached to cake throughout the world. Nicola Humble reviews the many national differences in cake-making techniques and customs the French, for example, have the gateau Paris-Brest, named after the cycle race and designed to imitate the form of a bicycle wheel; in America there is New England s Election Day cake or the Southern favourite, Lady Baltimore cake and what they reveal about the nations that make them. From Proust s madeleine to Miss Havisham s decaying wedding cake, the symbol of her betrayal in Dickens Great Expectations , Humble also relates the food s place in literature, art and film, and what it can symbolize and illustrate: indulgence, gender, motherhood and guilt. With a large selection of mouthwatering images, *Cake* will appeal to the many readers with an interest in food history, social, cultural, literary and art history or, indeed, just in cake.
