Fig the Vine Publishing, LLC, United States, 2011. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.With his electric and oft-times robotic dance moves, his heart thumping and bass line pumping tunes, and his equally cool and all around comfortable Converse All Stars, Break Dance Boy threatens all those who would oppose truth, justice, and grooviness! But where did this larger than life yet vertically challenged superhero come from? Was he an alien sent from another planet? Did his gift of groove come from a genetic experiment gone awry? There are many rumors floating around, but the real story of how Break Dance Boy came to be has never been revealed. Until now. Meet Todd Tyler, a particularly average pre-teenage boy and the least likely person to ever have anything spectacular happen to him. Like all great stories, however, it is the most unassuming person who is frequently chosen for extraordinary things!.
