Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

Bantam Doubleday Dell Publishing Group Inc, United States, 1994. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Witty, learned, and useful. --Max Shulman.From the ancient past come the myths that color our present. Like the symbols that haunt our dreams and guide our inner journeys, the myths of the Western world touch something deep within us, awakening old nightmares and new yearnings. Some of the gods, tales, and mythic creatures in Bergen Evan s Dictionary Of Mythology are as familiar as the disturbing tale of Oedipus. Others may seem strange, wonderful, or chillingly macabre: Lycaon, the murderer, who is transformed into a wolf by an angry god; Cronus (Time) who devours his won children; Pan, the god of the animal in man, who fills us with overmastering fears that sweep courage and prudence aside; the hero Sigurd, who seeks a magic ring and finds a maiden. . .in a ring of fire. These tantalizing stories and dozens more make this book a perfect addition to any library, as delightful for browsing as it is essential for reference. Concise. . .attractively put together, and a useful reference work. -- Seattle Times.
