Orange Hat Publishing, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Absence Makes the Heart Ponder takes the reader to the center of the known universe, Port Washington, Wisconsin, and into the lives and minds of three thirty-something men as they meet and form a lasting friendship through unusual circumstances. Adventure, intrigue, and romance ensue as they try to balance their personal and work lives while coming to grips with the now looming threat of middle age. Absence Makes the Heart Ponder gives the female reader a glimpse of the male perspective and attempts to answer the age-old question What is going on in his head? with humor and sarcasm while giving an outlet to the male reader for the unique banter and camaraderie that only men share. Living with Heidi was great. It was like we were married, only better, because we weren't. The Peace Corps has got nothing on parenthood; trust me. A friend of mine went to Tanzania for three years to teach math, a noble endeavor to be sure, but he still found time to email and update his Facebook page. Elise and I didn't have time to update our clocks after daylight savings time, let alone flit about in any cyber social circles. Evonne claimed to have official, yet undocumented proof that her beliefs were facts; she just couldn't substantiate it. Her morals were an iron clad dogma, and she expected full well that everyone should see things the way she did.
