PANCATANTRA: THE BOOK OF INDIA'S FOLK WISDOM

DOWNLOAD

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Pancatantra: The Book of India's Folk Wisdom, Patrick Olivelle, The Pancatantra is the most famous collection of fables in India and was one of the earliest Indian books to be translated into Western languages. No other Indian work has had a greater influence on world literature, and no other collection of stories has become as popular in India itself. A significant influence on the Arabian Nights and the Fables of La Fontaine, the Pancatantra teaches the principles of good government and public policy through the medium of animal stories. Its positive attitude towards life and its advocacy of ambition, enterprise, and drive counters any preconception of passivity and other-worldliness in ancient Indian society. Patrick Olivelle presents the Pancatantra in all its complexity and rich ambivalence, examining central elements of political and moral philosophy alongside the many controversial issues surrounding its history, including its numerous versions and translations, and the reconstruction of the original text by Franklin Edgerton. This new translation vividly reveals the story-telling powers of the original author, while detailed notes illuminate aspects of ancient Indian society and religion to the non-specialist reader. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
