Hippocrene. 1 Paperback(s), 2005. soft. Book Condition: New. What does Islam really say about women? This book collects the major references to women in the Qur'an and the Hadiths, the two holy writings on which Islamic legislation and social practice are based. Here are extensively indexed discussions of hygiene, divorce, marriage, sex and chastity, inheritance, and status and rights. The book includes extensive notes to explain the cultural background of the first Muslims, including short biographies of the women of the Prophet Muhammad's household, and reinforces the central position of women in the Revelation of Islam and its subsequent development. 256.
