Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from India and the English Of the many books that have been written about India, the greater number fall, roughly speaking, into two categories. One is that of the book which sets out frankly to be a guide to certain districts of India, with, sandwiched in, notes on shikar and, in some instances, detailed descriptions of the author s daily life. The other kind of book is a highly technical treatise upon some given aspect of Indian life - historical, social or political - written by a specialist in the one particular subject undertaken. In writing this book I have aimed at neither of these two ideals, but have instead endeavoured to present to the reader some kind of a unified picture of the many, often contradictory aspects that go to make up the Indian nation and country. For it is only by taking a broad and general view, weighing one thing against another, and looking always to the end, that one can begin to understand the cross currents of present-day India s troubled life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
