Createspace, United States, 2011. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.We Are Having a Baby is the captivating adventure of a couple s journey through pregnancy to parenthood. The story encompasses their hopes, fears, joys and funny moments - from soon after conception to the moment of birth. As the layers of this couple s love for each other unfold, you will witness the growth of another bond of love. Whether you have a baby, are pregnant, or are excited at the prospect of pregnancy - you will connect with this couple. Enjoy their 9-month trip, and share in the excitement of their final destination - the delivery room. Remarkably, the entire story is written in Haiku poetry, creating a beautiful flow and continuity, using the rhythm of the words. The use of Haiku to create one lengthy story is truly unique. This is not Haiku in the old style, but the modern American style. However, the author has strictly adhered to the traditional format of three lines with 5, 7 and 5 syllables. A Journey to Parenthood is your own special story. Simply use the questions and suggestions, in the second part of the book, as inspiration to help fill the pages that have been provided. With just a little effort, you will be amazed to see the personal story of your own exciting journey unfold. The journaling is easy and fun, and this book will become one of your favorite keepsakes, to someday share with your child. This is a wonderful way to save precious memories, and it is the perfect gift for a baby shower, friend, family member, or for yourself and your baby.
