From Believing to Knowing: The Intellectual Certainty of God (Paperback)

By Ron MacFarlane

Greater Mysteries Publications, United States, 2014. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a puzzling and pervasive misconception in present-day thinking that the existence of God cannot be intellectually determined and that mentally accepting the existence of God is strictly a matter of non-rational belief (faith). As such, contemplating God s existence is erroneously regarded as the exclusive subject of faith-based or speculative ideologies (religion and philosophy) which have no proper place in natural scientific study. The fact is, there are a number of very convincing intellectual arguments concerning the existence of God that have been around for hundreds of years. Indeed, the existence of God can be determined with compelling intellectual certainty - provided the thinker honestly wishes to do so. Moreover, recent advances and discoveries in science have not weakened previous intellectual arguments for God s existence but instead have enormously strengthened and supported them. Intellectually assenting to the existence of God is easily demonstrated to be a superlatively logical conclusion, not some vague irrational conceptualization. Remarkably, at the present time there are only two seriously competing intellectual explanations of life: the existence of God...
