The working group serves as a forum to bring Government and the private sector together to address common cybersecurity elements across the 18 CIKR sectors. They share information and provide input to key policy documents, such as the National Strategy for Trust-ed Identities in Cyberspace. The Department conducts its critical infrastructure protection activities under the National Infrastructure Protection Plan (NIPP) framework to facilitate effective coordination between Government infrastructure protection programs and the infrastructure protection and resilience activities of the owners and operators of CIKR resources. To secure critical infrastructure, the NIPP relies on the sector partnership with the Federal Government. This includes Sector Coordinating Councils and their associated Information Sharing and Analysis Centers, the Homeland Security Information Network, technology and service providers, specific topical working groups, and partners from across the 18 CIKR sectors. These information-sharing mechanisms will continue to enhance and
