

Explore Natural Resources!: With 25 Great Projects (Paperback)

By Anita Yasuda

Nomad Press, United States, 2014. Paperback. Book Condition: New. Jennifer Keller (illustrator). 248 x 202 mm. Language: English . Brand New Book. What are natural resources? And why is it important to prevent natural resources from being wasted? Explore Natural Resources! answers these questions. The 25 projects inspire young readers ages 6-9 to have fun while learning why natural resources are important to all living things and how every child can take care of the earth's resources through reducing, reusing, and recycling. Kids will read about national parks and early environmentalists, Earth celebrations, and the science behind renewable and nonrenewable resources. With projects and experiments ranging from making a wind-powered car and creating a solar catcher to calculating their water footprint, children will discover that everything comes from the earth. Projects are easy-to-follow, require little adult supervision, and use commonly found household products, many from the recycling box. Through a mixture of fun facts, trivia, jokes, comics, and hands-on activities, kids will Explore Natural Resources! and gain an appreciation of earth's resources, from its vast oceans to its open skies. Explore Natural Resources! meets common core state standards in language arts for reading informational text and literary nonfiction...

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).
