Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from **Some Old Sites on an Old Thoroughfare: And an Account of Some Early Residents Thereon** In a previous history of Washington Street published by us, facts were presented concerning that section of the great thoroughfare between School and Milk, Summer and inter Streets where the house of Macullar Parker has been located for more than half a century. Washington Street undoubtedly is the most notable and probably the longest highway in New England. Beginning as little more than a blazed trail, it has from century to century wound its irregular way until it has reached beyond Massachusetts borders into Rhode Island without changing its name. It has the distinction of being the first road laid out in the Massachusetts Colony, and, according to an order of June, 1636, it was begun as a footpath which led over the Neck to Roxbury. The order which concerns this famous High Way towards Roxburie in the year 1636 is to the effect that there shall be a sufficient footway from William Coleburne's field-end into Samuel Wyeborne's field-end next Roxbury, by the surveyors of highways before the last of the 5th month. This order shows that there were surveyors of highways in the Colony at this early date. Early Washington Street is supposed to have extended from the corner of Dover Street to the northerly Roxbury line, which was the south end of Boston Neck. The early road laid out towards Roxbury was on the easterly side of the present Washington Street, very near the beach, the road starting from near Beach Street. We count it a privilege to tell the tale of these early days and to...
