MARY JANE S COOK BOOK (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Mary Jane s Cook Book It has been possible for me because of the friendly interchange of recipes among the Traveler readers, their helpfulness and their skill, to present them with this collection of recipes taken from the household columns of the Traveler during the past year. It is in no way intended as a text book for beginners, although the recipes may easily and successfully be used by beginners; neither is it by any means a complete encyclopedia of cookery. But because it contains practical, every-day tried and tested recipes with many interesting new ones, and because you and I have contributed them, I am sure it will take a place on your kitchen shelf that no other book could fill. The blank pages will make it possible to add favorite recipes from future Traveler columns. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
