Vintage Publishing, United Kingdom, 2009. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. A novel that is brilliant enough to raise itself effortlessly above and beyond the level of the vices it portrays: strange art and reckless passion, cocaine, excessive exercise and other forms of addiction - Fabienne Dum, Le Monde Rimini splits up with his girlfriend of twelve years, Sofia. The parting is initially amicable and he moves on, carefree, with a new zest for life. Hungry to make up for lost time and keen to forget the past, he finds a younger girlfriend and starts using cocaine. Sofia, however, finds herself unable to let go, and continues to reappear on Rimini s horizon. Though the apparently idyllic relationship is over, their love has not died, merely taken on a different form. As time passes and their paths continue to cross, the past festers and torments them, like an infection.
