Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

ONCE UPON A TIME IS TIMELESS Young, beautiful, and wealthy, Emma Pennington is accustomed to a very comfortable life. Although war rages abroad, she hardly feels its effect. Soon Emma finds herself stranded in a war-torn country, utterly alone. Enemy troops fight to take over her estate, leaving her with no way to reach her family, and no way out. With all of her attention focused on survival and escape, Emma hardly expects to find love. But the war will teach her that life is unpredictable, people aren't always what they seem, and magic is lurking everywhere. This item ships from multiple locations.
