Today's Christians let us know who their Top 10 picks for influential Christian leaders are. The results are telling. Which self-professed Christians made the cut? Who do we think influenced our beliefs the most? How did each rank in modern opinion? Who didn't make the list? The answers are inside. Pastors, teachers, and other writers focus on the Top 10 picks, supplying short biographies of each to get us in-the-know. Ten bonus mini-biographies let us know who missed the top ten, but made the top twenty. For education, information, reference, and debate. These are the men who helped shape our church-and beliefs-as we know it. Compiled and Edited by Ken Lambert and Abby Matzke. Illustrated by Joel Kutylowski. When we put History and Theology together, we have identified an area in which lack of awareness and dearth of comprehension flourish in our culture. The compilers of this book have put our hands a helpful tool. It will serve to stimulate interest and critical thought and to introduce young minds to the heritage which has been handed to us from the past. May it prove to be beneficial to many. -Professor Mark Harstad. This book presents information to make the average layperson's appetite for more alive! A book I am glad to have added to my library one that I will undoubtedly refer to often. -Pastor Fred DeRevo, Th. D. This item ships from multiple locations.
