

## Paperin Paperetti Stinky Bigfoot (Paperback)

By Mrs Valentina Carboni

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Paperin Paperetti was born as a bedtime story the author told for years to her little brother and that in a second time was developed into a project incorporating some important psychoeducational purposes. One of the most significant functions of telling a story is to underline the importance of the emotional relationship with the child who, at the time of sleep, will develop a sense and a perception of security from the person who takes care of him. Following this relationship, then it follows an increasing pleasure in reading and a better understanding of text, things at the base of learning how to read and write. Another fundamental aspect interconnected to the concept of understanding, is to stimulate in the child a more elaborated theory of mind: the awareness that different people can perceive reality differently. With Paperin Paperetti, through a tale illustrated by beautiful drawings, we try and optimize at an educational level the sensitivity towards each other and themselves. All the people going by Dr. Paperetti have a problem they cannot solve alone...
