Random House USA Inc. Paperback / softback. Book Condition: new. BRAND NEW, Whittington, Alan W Armstrong, S D Schindler, Whittington is a roughneck Tom who arrives one day at a barn full of rescued animals and asks for a place there. He spins for the animals--as well as for Ben and Abby, the kids whose grandfather does the rescuing--a yarn about his ancestor, the nameless cat who brought Dick Whittington to the heights of wealth and power in 16th-century England. This is an unforgettable tale about the healing, transcendent power of storytelling, and how learning to read saves one little boy.
