Do You Feel This Is Holding You Back? Whether in business or social situations mastering the art of small talk is vital to making connections. This book will show you how it s done. If you want to get ahead in this world you are going to have to make connections with strangers. The essence of this is known as small talk. Some people think that small talk is about communicating with another person, but that is a mistake. Rather, small talk is the art of establishing a rapport with someone by not talking about anything in particular. Once this rapport is established it is possible to move onto deeper, more meaningful and valuable conversations. However, you need to walk before you can run and this is exactly what small talk is. There are a lot of people out there, this author included, who dread small talk. Are you one of them? Have you ever felt awkward at a party filled with strangers? Would you rather look at your phone messages then engage a stranger in conversation? If so this book is for you and will teach you the following: How to use small talk to make connections and therefore relationships with people How to use it as a gesture of respect so that other people will like you How it can make you smarter as you learn to read other people s minds in order to see their point of view Special tips for the shy Special tips for the introverted (being shy and introverted are not the same thing, btw) The truth of the matter is that we...
