

Sterile Compounding for Pharm Techs: A Text and Review for Certification

By Kristy Malacos, Denise J. Propes

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Sterile Compounding for Pharm Techs: A Text and Review for Certification, Kristy Malacos, Denise J. Propes, The expert guidance students and pharmacy technicians need to prepare safe and quality sterile products in any practice environment. Sterile Compounding for Pharmacy Technicians: Training and Review for Certification is an essential resource for students in pharmacy technician programs and for technicians requiring training for IV certification or employment. It is designed to teach student technicians important theory and concepts of sterile compounding and to keep seasoned practitioners current with the ever-changing regulatory standards, as well as the many new products and technologies designed to minimize contamination and improve quality. Sterile Compounding for Pharmacy Technicians: Training and Review for Certification is enhanced by easy-to-follow instructional charts and illustrations. Each chapter includes discussion questions, laboratory exercises, practice questions, and PTCB-style review questions. In addition, a sterile compounding final exam is included to provide a complete review of the text. Coverage includes: Introductory information (including non-sterile vs. sterile compounding, routes of administration, parenteral administration, compounding vs. manufacturing, and more) Equipment and supplies for sterile compounding Quality control and assurance Pharmacy calculations Aseptic technique Sterile product preparation...

Reviews

It is an incredible publication that we have actually read through. It is among the most incredible pdf i actually have study. I am just pleased to let you know that here is the very best pdf i actually have study in my personal lifestyle and could be he greatest book for possibly.

-- Ms. Linnea Medhurst I

Very helpful to all of group of people. It is one of the most incredible pdf i have study. I am very easily could possibly get a satisfaction of studying a published ebook.
