Brand New Book ***** Print on Demand *****.Excerpt from *A General View of the History and Organisation of Public Education in the German Empire* The present little book, which is issued only in English, is an extract of a work on German Education, that has been edited by me, in conjunction with a large number of collaborators, for the International Exhibition in St. Louis, at the suggestion and with the support of the Prussian Minister of Education.) The work is dedicated to His Majesty the Emperor, and treats, in four volumes divided into six sections, of the Universities, the Secondary Schools, Elementary Education, the Technical High Schools, the High Schools for Special Subjects, and the Intermediate and Lower Technical Institutions. For further information on the subject the original work may be consulted. Some parts are a close translation of the corresponding chapters of Dr. v. Gizycki (*A General View of the Elementary Schools*) and of those of Professor von Dyck (*Technical High Schools*).
