

Crossing the River (Paperback)

By Caryl Phillips

Random House USA Inc, United States, 1995. Paperback. Book Condition: New. Reprint. 202 x 132 mm. Language: English . Brand New Book. From the acclaimed author of Cambridge comes an ambitious, formally inventive, and intensely moving evocation of the scattered offspring of Africa. It begins in a year of failing crops and desperate foolishness, which forces a father to sell his three children into slavery. Employing a brilliant range of voices and narrative techniques, Caryl Phillips follows these exiles across the river that separates continents and centuries. Phillips's characters include a freed slave who journeys to Liberia as a missionary in the 1830s; a pioneer woman seeking refuge from the white man's justice on the Colorado frontier; and an African-American G.I. who falls in love with a white Englishwoman during World War II. Together these voices make up a many-tongued chorus of common memory and one of the most stunning works of fiction ever to address the lives of black people severed from their homeland.
